

Reading Is Fundamental offers a reading campaign called Rally to Read - each month from October through March we celebrate new themes with author read-alouds. Join the fun by thinking about a book you love—one that really stuck with you! This can be a book you’ve read at home or in school.

Think about the main theme or feeling of your book. Which theme below do you think it fits best?

☐  Community Places	☐  Careers in Wellness
☐  Nocturnal Animals	☐  Changemakers Invention & Discovery
☐  Celebration	☐  Imagination Arts

Design a new cover for your favorite book and explain what makes the book special to you and how your new cover reflects that.
